USPKS SOUTHERN GP FORMAT

Single Group Classes

X30 Pro Jr, X30 Pro Sr, Micro Swift, and X30 Masters will practice as one group on Friday, and race as one group throughout the weekend, with everyone making the Main Events. As per normal, these classes will be split for qualifying each race day, based on their times from Happy Hour practice on Friday. Group B will be the slower half of the field, and go first, Group A will follow immediately. See Happy Hour time postings to see which group you are in.

Split Group Classes

KA100 Sr, KA100 Jr, and Mini Swift will be split into two groups for Friday practice. Your practice group will be noted on your packet.

Following Friday's Happy Hour practice session, you will be regrouped to even out the fields. You will be in either Q1 or Q2, which will be posted following practice on Friday. **You will do morning warm up and qualify in Q1 or Q2 on both Saturday and Sunday.** For qualifying each day, the Q1 & Q2 sessions will be broken down into B/A groups to allow for ample track space for all.

After qualifying is completed each day, you will be regrouped into ODD or EVEN Prelims. The driver qualifying fastest overall, will be on the pole in the ODD Prelim, with the 2nd fastest qualifier starting on the pole in the EVEN Prelim. The lineups for the Prelims will be posted following qualifying each day.

The top 16 finishers in the ODD & EVEN Prelims will make up the inside and outside rows for the Main Events. The remaining 4 competitors for the Main Event will come from the LCQ for those that finished outside the top 16 in your Prelim. 36 karts will start the Main Events.
