Campers are allowed in the paddock area for a fee of \$100 for the event. There are no hookups, and the camper area is not in the pit area. Motorhomes will be parked in the far end of the paddock. Toyhauler campers are allowed in the pit area, but camping in them overnight requires the \$100 fee for the weekend to cover overnight security.

If requesting larger spaces, please include a basic sketch of the size, shape, and access of what you need here. We will do our best to accommodate as many requests as possible.

Tent rentals must be arranged through Road America Hospitality, by calling the RA office.
Golf carts are allowed by licensed drivers at least 16 years old. Carts can be rented through the RA office.
Free pit spaces are available at the furthest end of the paddock and are first come, first served.
